## Experience

### Kawaijuku Manavis (Part time job)

Chiba - Japan

2022 - 2023

I was working a year as a adviser. It was my first experience of being a worker in the society, which allowed me to get ability to cooperate with people and achieve something.

### Branding imaginal company project

University of West Alabama - USA

2023 October

I made an imaginary AI merchandise company, named "DoomAI", its logo, name card, and documents mock-up. (Please visit my gallery by scanning QR code below)

### Tourism brochure project

University of West Alabama - USA

2023 November

In this project, I made a Japanese tourism brochure for the tourists coming from other country, mainly focusing on the places to visit and the foods to eat.

### Media toolkit

University of West Alabama - USA

2023 December

This is a project in which I made some social media posts for imaginary event: I created the posts for Christmas Adidas sale event.
